## Rascal 388XL/D/S

With three models to choose from, you can own the ideal scooter for your needs. All are designed with a narrow, compact chassis for ease of manoeuvring whether you are close to home, or out on a day trip, and include a fully adjustable swivel seat. The cost effective 388S offers an ideal 4mph entry level model while the 388D combines an upgraded seat and lift-up tiller head for easy access. If you want a little more speed, the Class III 388XL has a 6mph top speed and stylish 11" wheels. **Relax...it's a Rascal.**

Enjoy day trips in comfort and style with your Rascal (388XL shown)

Shopping indoors and out is hassle free with the 388's compact design (388D shown)
